# Testing Results

As this task contains many functions that need input from the user, we cannot simply assert the inputs so I am placing screenshots of testing below. Just run the tests by yourself.

Overall results of testing

Most populated states

State flower of Alabama

	State	Capital	Flower	Population
0	Alabama	Montgomery	Camellia	4887680
1	Alaska	Juneau	Willow Ptarmigan	735139
2	Arizona	Phoenix	Saguaro Cactus Blossom	7158020
